

Get Healthy. Radiant Skin!

Dermalogica Pro Power Peel

For your healthiest, most radiant skin ever!

6 BENEFITS of the Dermalogica Pro Power Peel:

- | Improves the appearance of sun damage & hydrates the skin.
- | Smooths out fine lines and leaves skin radiant.
- | Unblocks pores, eliminates excess sebum and removes blackheads.
- | Clears dead skin cells to promote new, renewed skin growth.
- | Evens out skin tone, reduces redness irritation.
- | Peels can be customised for a range of skin conditions like breakouts, uneven skin tone and aging.

Note. A course of 4 – 6 is recommended for optimal results.

Free skin analysis

The abundance of skin care products out there can make it hard to know what is best for you and your skin.

Let one of our Master aesthetic skin specialists take the guess work out of choosing for you.

| In your 30 minute skin analysis consultation we will cleanse and analyse your skin.

| Together we will discuss a treatment plan going forward, as well as suggest effective home care products.

| This will be done with your budget and skin care concerns in mind and could include various targeted facials, skin peels and skin needling.

*Stop wishing you had healthy skin...
with our help. you can get it.*

Call 011 463 5951 to book your free analysis.
