DERMACEUTIC MEDICAL PEELS

Mask Peel

640

For oily skin with large pores. This peel brightens, purifies, decreases sebum production, and evens skin tone. Great for teens and adults with oily or congested skin.

Milk Peel

930

For fine lines, dull complexion, and loss of tone. This peel stimulates the epidermis, evens skin tone, regulates oil and dilated pores, restoring skin radiance. This is a superficial to medium depth peel. No down time or peeling makes this treatment great to have every 2 to 3 weeks to maintain a youthful looking skin.

DERMACEUTIC MEDICAL PEELS

Cosmo Peel

15% TCA 1850 | 18% TCA 1970

For wrinkles, texture and pigmentation. Reduces acne, pigment spots and signs of ageing. Improves texture and smoothness. Your skin is likely to peel, so there is some down time. Expect results!

Mela Forte Peel

1900

Excellent for all skin types, a stronger peel to specifically target pigmentation and improve skin clarity. We recommend a course of 4 treatments at 4 to 6-week intervals.

Please note that both Cosmo and Mela peels require skin preparation using specific products prior to your treatment. Recommended home care products post your treatment, or during your course of treatments, will significantly increase results.

GREEN PEEL - HERBAL PEELING

The basis is a mixture of 8 selected herbs containing enzymes, minerals, and vitamins, which are massaged into the skin. A multifunctional system, suitable for all skin types, designed to target and treat multiple concerns in each treatment.

Fresh-Up

950

The freshness kick without peeling effect for tired skin showing first signs of aging

Energy

1150

The vitality and regeneration effect with flaking to treat wrinkles, impurities and pigmentation

Classic

1350

Regeneration and renewal with peeling effect for sun damaged, aged skin and pigmentation

Dermapen 4 Microneedling

The Collagen Induction therapy is a remarkable needling treatment that causes skin to stimulate collagen production and fresh, new tissue. Skin tightens, wrinkles, fine lines, scarring and hyper pigmentation significantly diminish. Pores become finer and the overall health and circulation of the skin is improved. Because you deserve the best and because we like to see results, our equipment and the products we needle into the skin are of the highest quality. We recommend a course of 4 to 6 treatments at 6-week intervals. Expect results!

Photo Rejuvenation*

Gem-PL technology-patented system transfers light 2-3mm below the skin's surface. This results in proper circulation and increased distribution of oxygen & food to the cells, as well stimulating collagen & elastin production. Overall tone and texture of the skin improves, the skin becomes healthier and thicker with fewer wrinkles.
